Subject Index (Volume 65, Numbers 1-3)

Aberrant Behavior Checklist 821

abusive families follow up study 766

Academic achievement
academic competence, model of 806
age 707
analogy performance 100
attitude towards mathematics 1151
attitudinal patterns 716
birth date 700
child rearing 1103
China & United States 326
cognition 703
cross cultural outcomes 268
homeless children 957
LD status 305
learning disabilities 310
locus of control 1049
low birth weight 26
metamemory 812
myelomeningocele 30
preadolescence 280
prediction in mathematics 316
self-concept 1049
self-image 254
SES 1049
time 1145
timeout 324

Academic performance
divorce 1057
sex-differentiated performance 1082

accessibility effects, developmental analysis 929

acquisition of verbs & language development 497

activity & fitness 847

activity level, parents & children's 449

ADD
adolescence 366
adolescents & methylphenidate 1200
Atopic disorders 1228
children & cognitive processing 1158
conditional probabilities 776
conduct disorder, factor models of 903
hyperactivity 744
reading disorder 702
self-reported diagnosis 371
sleep disorders 854

ADDH
arithmetic performance 748
boys & private speech 1164
corpus callosum 710
effects of treatment 768
information processing 751
learning disorders 698
memory 752
peer interaction 1195

addition strategies 80

adiposity 5

Adjustment
adolescents 1018
corporate mobility 274
peers 218
preadolescent 217

Adolescence & Adolescents
abstract reasoning 598
abuse programs 1201
achievement & self-image 254
adjustment & divorce 577, 1026
adjustment, general 274, 1018

runaways & throwaways 208
schizophrenic 1234
self-concept 163
self-efficiency & depression 1019
self-esteem 183, 714 1035, 1244
self-image & depression 1066
sexual behavior 189
sexual knowledge in Black male adolescents 212
sexually transmitted diseases 211
short term memory 134
sibling bereavement 604
sibling relationships 180
social adjustment 208
social competence 1053
social problem solving 361
social skills training 1003
social world 831
socio-economic status 190
substance abuse 569, 1011, 1187
substance abuse & parent-child congruence 1202
substance abusers & non-abusers 602
suicide attempters 1237
suicide ideation 1184
suicide planning 746
suicide, risk factors 1220
time use 724
transition to & drugs 358
transition to 203, 1274
Type A behavior 365, 614
value judgements 622
versus adoption 660
weight & gender differences 1104
with hearing impairments 232

Adoption
antisocial behavior 347
biological mother's grief 8
psychology of 825
unmarried adolescent mothers 660

adrenocortical activity in infants 444

adult beliefs about children & gender 994

adult evaluation of children & gender 999

AFDC children, treatment of 1064

affect & mother-child interaction 1089

affect-cognition in adolescence 1033

affective behaviors & Japanese toddlers 674

affective disorders 775

age & achievement 707

age differences, memory 50

Aggression
adolescence 214
aggressive boys & social problem solving 1182
anxiety 1199
displaced 111
hyperactivity 759
language maturity 246
peer status 191
reduction 765
social failure 355
understanding of 111
verbal & psychosocial problems 680

AIDS
adolescence 829, 866
adolescent risk 639
children, adolescents 424
children's perceptions of 70
comparison with other diseases 68
knowledge & attitudes 871

alcohol, identification by smell 237

alcoholic parents, children's response 333

alcoholism, children of 425, 1241

alcoholism, potential for 1219

allocation behavior 1111

American Sign Language & acquisition 539

amnesia, childhood account 904

analogical reasoning, 496

Analogies
achievement 309
performance 100

Anger
adolescent coping 1031
mother's judgements 899

Ann Frank & affect-cognition relationships 1033

Anorexia nervosa
adolescent males 762
anorexics, care 1240
chromosomal analysis 1223
death related themes 792
family background 1222
premenarcheal 1186

Antisocial behavior
generalization from home to school 248
in poor children 363
postnatal environment 347

Anxiety
aggression 1199
in children 755
inhibition & salivary cortisol 447
love in adolescence 599
relationship with fear 787

anxiety disorders, symptoms 334

apnea 429

appearance versus reality, distinguishing between 147

applied developmental psychology 400, 1263

area judgements & context effects 492

arguing & peers 578

arithmetic performance & ADHD 748

arrests of young adults, prediction of 1252

assessing individual developmental functions 808

assessment, clinical 833, 834

assessment, school age children 293

at-risk children, characteristics of 719

ATI theory 1148

atopic disorders & ADD children 1228

Attachment
adolescent self-concept 163
adolescents & parents 646
dyads & intervention 627
fear 270
infant 164
in home & laboratory 822
language & play146
mother-toddler interaction 220
parent-child & early adolescent depression 738
preterm birth 1105
telethermography 637
to faces & growth 51
to fathers, a meta-analysis 586
underweight children 678

Attention
perceived structure 967
speech perception 505
vocabulary development 465

attention & concrete operations 55

Attention Deficit Disorder
boundaries of 754
substance abuse 357

attention deficits & reaction time 1255

Attitudes
gender171
toward over & under-controlled child problems 1253
towards science 730

attitudinal patterns & achievement 716

Attributions
analysis & child rearing 603
control & teenage pregnancy 1055
peer performance 272
teachers' perceptions1117

attrition, selective 278

audition & discrimination 944

auditory & visual modalities & reading 490

auditory attention, development of 531

Auditory processing
reading disabilities 550
television 542

authority, attitudes towards 315

Autism
adolescents 1226
communication skills 368
discrimination learning 330
echolalia 379, 1229
effects of class reorganization 1216
effects of instruction 1227

understanding of emotion 568
use of play 345

Autistic children
communication 388
comprehension of verbal terms 679
high functioning 391
pregnancy 394
social behaviors 389

autistic speakers & language 1248

autonomy in handicapped adolescents 640

babbling 113

brain injury & babbling 522

backwards coreferencing 924

battered women & marital discord 605

Behavior disorders
mainstreaming 693
response perseveration 750

behavior modification & learning disabilities 1142

Behavior problems
correlates of 1175
Hong King Children 1209
marital disharmony 1197
parenting stress 1007

behavior questionnaire 194

behavioral difficulties & concept development 516

behavioral state & visual processing 846

behavioral tempo 228

Beliefs
about punishment 1170
academic, about children 223
control 1076
development of false 105
emotional consequences of 985
inference from actions & reactions 118
knowledge of false 968
mothers & children 108
preschoolers understanding of 931

Bereavement
early childhood 367
sibling's death 631

big, understanding of 88

bilabel stops & categorical identification 890

Birth
form perception 972
date & academic achievement 700
defects, effect on maternal functioning 262

Black children
intellectual development 558
preschool social competence 615
communication1273

Black infants
cognitive development 958
home environment 958

blind children & spatial representation 513

blood levels of lead 23

Body image
bulimia 1176
development of 37

borderline children 397

Brain
injury & babbling 522
understanding of 91

Brazelton Neonatal Behavioral *Assessment Scale 807*

Breastfeeding
cognitive development 880
mother's satisfaction 1051
nurses knowledge 845

British children, reaction time *& intelligence 937*

Bulimia
personality characteristics 343
women, sexual attitudes 769

Cancer
children's knowledge of 44
